Michael Stanton  
President  
SEUNA  
935 Lancaster Ave.  
Syracuse, NY 13210

Dear Mr. Stanton,

Thank you for forwarding to me a copy of SEUNA's letter to the major employers on University Hill, urging them to develop new programs and new incentives to bring more of their employees into owner-occupied housing into the area just east of campus. I fully support and endorse the idea. As you know, similar programs have been successful in other areas of the country, and we are beginning to see the same success with neighborhood programs in Syracuse. St. Joseph's Hospital, for example, has been a leader through its direct involvement in the revitalization of the Prospect Hill neighborhood.

I am very supportive of the proposed project and am willing to assist SEUNA in any way that I can in order to help create these new programs. If SEUNA hosts any roundtable meetings with representatives of the University Hill's major employers, please advise my office so that either I or a member of my staff may attend.

Please do not hesitate to contact my office should you wish to discuss this matter further or if I can be of any further assistance to you in this or in any other matter.

Very truly yours,

William B. Magnarelli
